## GENERAL INFORMATION FOR REGISTRATION

Registration procedures are carried out within the framework of the principles specified in the Application, Admission and Registration Directive for Students to be Admitted from Abroad to Sivas University of Science and Technology Undergraduate Programs.

The final registration of the candidates who have the right to enroll in our university programs will be made **by the Registrar's Office between July 20 and August 10, 2023 during working hours.**

During these processes:

- Students admitted to undergraduate programs from abroad are required to register **in the first semester** they are admitted to the program.
- Candidates **must apply in person for final registration**; Registration applications made by post will not be accepted.
- **The originals of the documents** requested for registration are accepted.
- It can register if a power of attorney is brought from a **notary public**.
- During registration, all documents announced for registration must be submitted in full. In the event that the documents required for registration cannot be submitted in full within the announced registration dates, the student's university registration process is not carried out, even if the candidate has been accepted. Candidates who do not register between the specified dates cannot claim any rights.
- The University is authorized to take the necessary legal action against the candidate who has made a false statement.

## IMPORTANT INFORMATION FOR FINAL REGISTRATION

- Candidates will be able to pay their tuition fees to Ziraat Bank after obtaining a student number from the Registrar's Office.
- To be able to enroll, **the candidate must certify that s/he has graduated from a school equivalent to Turkish high schools.** Equivalence process, T.C. It is carried out by the Provincial Directorates of the Ministry of National Education or by the Turkish Representation abroad.
- No documents regarding Turkish proficiency are required from students enrolled in programs where the medium of instruction is a completely foreign language.
- A student who enrolls in the program where the language of instruction is Turkish, but whose Turkish language level is insufficient, is considered to be on leave from the program for 1 year in order to make his Turkish language level sufficient in the "TOMER Turkish Preparatory Program". Provided that he/she is given an additional period of 1 year. The student who is deemed to be on leave pays the tuition fee of the program he/she is enrolled in and benefits from the student rights. At the end of the additional period, the student who cannot make his/her Turkish language proficiency is deregistered from the program in which he/she is registered.
